

Evaluation indicators of (syllabus) teaching course

1. Educational program:

2. Head of program/coordinator:

3. Teaching course:

4. Author of syllabus:

5. Lecturer/lecturers:

6. Goals of teaching course:

- a) Corresponds to the content
- b) Does not correspond to the content
- c) Clearly formed
- d) Not clear

7. Content of teaching course:

- a) Corresponds to the goal
- b) Does not correspond to the goal

8. Precondition for admission:

- a) Defined
- b) Not defined

9. Teaching results:

- a) Corresponds to the goal
- b) Does not correspond to the goal
- c) The result aimed by the teaching course subject is reachable
- d) The result aimed by the teaching course subject will not be reached

10. Teaching and learning methods:

- a) Relevant
- b) Does not correspond

11. ECTS System distribution:

- a) Corresponds to the volume of the material
- b) Does not correspond to the volume of the material

12. Correspondence of the evaluation system to the legislation:

- a) Yes
- b) No

13. Correspondence of the evaluation methods and criteria used to the content of the teaching course:

- a) Yes
- b) No

14. Availability of the teaching material/mandatory literature

- a) Yes
- b) No
